NEACHMM – AHMP New England Chapter, Inc. is hosting its annual **Essentials of Hazardous Materials Management Course as a Virtual Event** to help you gain a foundation and prepare for the CHMM and CHMP Exam. The EHMM Course is intended for experienced individuals who have been assigned duties or responsibilities related to management of hazardous materials and wastes. It is ideal for technicians, engineers, scientists, facility supervisors and managers, and regulators. Course attendance does not ensure the CHMM or CHMP exam will be passed but helps give attendees the tools needed to study for the exam. All sessions are taught by instructors with extensive experience in the topic covered.
