To DSR Committee

Date: April 6, 2019

As President of the ETAHMP Chapter since 2018 , in past years held the President and Vice President and EHMM Course Coordinator, I want to state how valuable Bill Butler has been to our organization. He has a volunteerism spirit. He demonstrates this by holding many roles and volunteers in event after event in the organization.

- Leadership Role and has been the Secretary since 2016.
- Secretary is a key publication position taking minutes and emailing them to members, he serves our communications coordinator, he maintains records and ensures everyone is keep up to date. He helps by tracking at times votes for issues we need to discuss by email.
- Bill Coordinates the Adopt-A-Highway dates and reschedules the events in case of rain by contacting everyone and finding more suitable dates.
- Media Visibility- Bill helps other to post Facebook content as needed.
- Presentations to Public: Bill provided 3 hours at Safety Fest which ETAHMP works with other organizations. It's a key conference.
- Technical Presentations such as an 8 - Hazmat Driver course that he does for TFE a Professional Venue. He has rosters and documentation for this achievement.
- Invited a new person to our Adopt-A-Highway.

There's so much more that can be said about Bill but the key things are that he is highly professional, always willing to help and demonstrates leadership for ETAHMP.

Thank you for allowing my input for him.

Adonia Phillips

Go the AHMPnet.org homepage.
Log in.

On the right side of the screen where it says "My Profile", click Groups.

On the left side of the screen you should see a green plus sign and the words Committee: Awards. Click the word Awards.

Now near the center of the page you'll see the words "Resource Manager". Click them.

Now you can see FY2017 Nominations for Review and FY2017 Completed Evaluations Forms in the left column of the window. If you click on the file folder, you can see its contents.

The contents are folders representing all the different awards. We don't have any nominees for many of them, so they are empty. You do have nominations for Distinguished Service Recognition, Distinguished Chapter Recognition, Communications Program of the Year, and Chapter of the Year.

After you review nominations and complete the evaluations/cover sheet, you will upload just that cover sheet to Completed Evaluations.

Can we confirm the HW date with someone so we can put it on the schedule?

Good Morning,

There were no scheduled date set up for the rest of the year yet. We normally do them in March, June, September, and December. The March one was delayed this year to April due to bad weather on the last 3 weekends of the March. How about this for a recommendation to get us back on schedule.

June 23ed with a rain-day in July after the Holiday period if necessary (say 7/14).
September 15th with a rain-day of Sept. 22ed.
December 8th with a rain-day of Dec. 15th.

Respectfully,

Ok folks, with the looks of the weather this weekend we need to shift the date for the road cleanup. I will assume the weekend before Christmas is out so we have the 15th, 16th, 29th and 30th to choose from. What date would be best for everyone? I know the 15/16th is out for at least one of us.

Linda, I do not have Mark's new email available from my home computer, can you forward this to him.

Looking at the weather for this weekend it is 80% chance of rain or snow showers for Saturday. Linda and Kevin were going to do their part on Friday I believe when the weather is still good but Saturday is not looking good. So far the only people signed on for Saturday morning are myself (and I may get Michael to come with me) and Steve. I

have been down with a stomach bug for the last 2 days. Should we put off the Saturday pick till the rain date which was the 15th?

Good Morning Folks,

Well we were rain out on the road cleanup on the 8th. Due to weather forecasts it looks like our best bet for the road cleanup is Saturday 12/29. The upcoming weekend is 90-100% chance of rain depending on where you look and the weekend before Christmas is not a good option anyway. So, let's go with 8:30 AM on 12/29 in the lower parking lot at ETPP on Highway 58. Please reply if you can make it, hope to see you there.

Subject: SafetyFest Booth Names and Schedule - submit by COB TOMORROW, WEDNESDAY!

Hi, everyone. **SafetyFest is next week and the booth needs volunteers Tuesday 11-5 and Wednesday 9-3.**

I am teaching Monday morning and can set up the booth immediately after my class, but I can't come Tuesday, and I can't get there on Wednesday until time to tear it down.

If you can spend any time at all in the booth, please email the following information to rochellej@p2s.com, adonia608@yahoo.com, and linda.lawhorn@comcast.net by **CLOSE OF BUSINESS TOMORROW (WEDNESDAY)**:

- 1) First Name, Last Name
- 2) Exact Name of your company as you want it to appear on your nametags
- 3) The time(s) you expect to be in the booth Tuesday and/or Wednesday.

No need to reply at all if you're not going to help.
Thanks.
